Welcome
to the winning
team

**We are a true heritage
brand, athleisureing
around since 1892.
That's **128 years of life**
experience.**

Brand story

Patrice Beneteau was a 19th-century shoemaker in a little French town called Pouzauges. One day Patrice decided to make shoes for the local soccer team. He did such a fine job that soon the word spread and other teams came knocking at his door. So on a sunny day in 1892, Patrice created Patrick. Not much later he was also producing Patrick shoes & apparel for basketball, cricket, athletics and leisure.

In the 1930's Patrick introduced its famous two stripes. These stripes originally were added to strengthen the shoes. Patrick was one of the pioneers to use this widely copied technique. Later the striping became mainly a matter of design, but the two Patrick stripes were there to stay.

As from the 1950's Patrick sponsored many great legends in soccer, rugby, cycling and other sports: Kevin Keegan, Michel Platini... or Jacques Anquetil and Bernard Hinault, who both won the Tour de France five times. Still, Patrice would have easily kept his cool. It's what you get when you've been around for 128 years.

So if you need some words of wisdom or a snappy quote on the active lifestyle or on life in general, few brands speak with more authority and credibility than Patrick.
